Report of Principal and School Improvement Council

Pineview Elementary School has managed to have a fantastic year despite budget cutbacks and an increasing student enrollment. The 2009-2010 school year brought continued success in student performance along with staff, faculty, and volunteer participation. The recognition of cultural diversity in classroom lessons and physical surroundings provided new artwork in the cafeteria. The reading initiative program focused on Reading Around the World by recognizing cultural differences.

Our school accomplished several new initiatives that included:

- A second computer lab with an additional twenty computers and four laptops.
- A second Literacy Lab for all second grade students.
- A new phonics based, software program (Headsprout) utilized in the computer labs and classrooms.
- New school-wide incentive programs aimed at reducing behavioral issues such as Panther Pennies and Bucket Fillers.
- The addition of six new security cameras to cover all school areas inside and outside.
- Technology - All classrooms equipped with document cameras and mounted LCD projectors in homeroom classes.

Pineview continues to have its exceptional character education programs including (but not limited to): Good Citizens, Bery Good Behavior, and Star Bucket Fillers. Students raised approximately \$7,000 by participating in Jump Rope for Heart for the American Heart Association. The bulletin board outside of the office is a PTA/SIC alert to all of the school spirit nights and other school activities. H1N1 shots were provided at the school in an effort to keep flu cases to a minimum. Our physical education initiative, Pineview Panthers for Fitness, includes Fun Runs and Walk With Our Children at School, which was submitted for a Character Education Partnership recognition.

Due to economic conditions, the state of South Carolina has reduced school budgets. Despite this decrease in funding, Pineview Elementary School unquestionably maintained its quality academic programs and even provided Smartboards in many of the classrooms. Through the PAW Club and the computer labs, over 200 students were served through these before and after-school tutoring programs. The majority of funding was raised by the Silent Auction the prior school year and through our after school day care program. The Second Annual Pineview Fitness Challenge and other PTA fundraisers netted over \$20,000 whereby the monies will be used for playground equipment, technology equipment, and a new outside courtyard classroom.

Pineview's brightest news for the 2009-2010 year is meeting AYP (Adequate Yearly Progress). Our increased MAPS scores indicated the diligence of our faculty in providing the instructional support needed by our student population to excel. Pineview had a great year which exemplified our motto: Together, We Will Make a Difference.
